MAJOR ABBREVIATIONS

c.d.s. = Circular Date Stamp; C.T.O. = Canceled to Order;

F.D.C. = First Day Cover ; ms. = Manuscript; var. = Variety

CONDITION

The various gradings of stamps are, in order; superb, extremely fine, very fine, fine. In the case of sets, large blocks, sheets, etc., the condition quoted represents the average, and quality above and below this standard can be expected.

Mixed Condition: In large lots, the condition is generally expected to range from fair to at best fine. Serious defects can be expected.

Handstamp on reverse: Denotes either a dealer, collector or indecipherable expert's mark.

Signed by: Denotes either the actual signature or mark of the expertiser. The absence of mentioning a signature does not reflect on the ability or knowledge of the party involved

GUM:

Shaded portion can represent an actual hinge or the area disturbed by a hinge.
n.h. = Never Hinged – unused with original gum in Post Office state and unmounted.

l.h. = Lightly Hinged – unused with full original gum showing some evidence of a previous hinge which may be present in part or entirely removed.

o.g. = Original Gum – unused with original gum somewhat disturbed by previous hinging which may still be present.

part o.g. = Part Original Gum – unused with original gum, large hinge remnants may or may not be present.

disturbed o.g. = Disturbed Original Gum – unused with original gum affected by sweating, glazing or mount disturbance; may not resemble the original gum.

unused = Unused without gum.

Ungummed = Unused without gum, as issued.

BLOCKS OR SHEETS AND THEIR GUM: Minor separations are the rule rather than the exception, in the case of blocks or sheets of any size. A few separations, around four perfs. per row, do not affect the value of a block or sheet and are not grounds for the return of a lot.

CATALOGUE VALUES: The final column shows the catalogue value of the lot.

ESTIMATED VALUES: If the estimated cash value is given, it is shown in the description and always indicated by the abbreviation "Est. Cash Value". It is used where the lot is large or where the actual value has little relation to the catalogue price. It represents the auctioneer's appraisal of the true MARKET value of a lot.

PLEASE NOTE – CREDIT CARDS : A 3% fee will be charged to credit card and PayPal users and a bidding deposit may be requested.

OVERSEAS BUYERS: We require that payment be made by credit card, bank draft, wire, or cheques in U.S. dollars made payable on a U.S. bank.

VALUATION OF LOTS

Valuations of all lots are available the week prior to the auction upon request.

GUM DESCRIPTION

Recognizing that there are occasional differences of opinion concerning gum nomenclature by various expert committees, for example, a stamp described as o.g. being certified as large part o.g. or even part o.g., this minor classification discrepancy alone is not sufficient grounds for return.

COVER CONDITION

Minor faults, including but not limited to file folds, not affecting stamps, small tears and some back flap damage have not been noted in the descriptions and are not grounds for return.

Machine Struck Specimen Overprints

The following 18 lots comprise a collection formed by the late Mr. Hsieh Chang Sun whilst living in mainland China. Just before the Communists took over, he moved to Singapore, where he became a successful businessman.

Machine struck specimen overprints were generally available only in China and are far rarer than the handstruck overprints. There is little documentation of these and they are therefore sold "as is". All stamps are lightly hinged.

CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed catalogue applicable to such auction (the "Catalogue"). Harmers International, Inc. (hereinafter "Harmers"), as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be constructed. Harmers reserves the right to withdraw any lot prior to the commencement of bidding (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot and to group two or more lots belonging to the same consignor or vendor. Harmers has the right to refuse any bid believed not made in good faith, demand a cash deposit from anyone prior to bidder registration, or demand payment at the time the lot is knocked down to the highest bidder for any reason whatsoever. Harmers requires new customers submit a bidders registration form at least ten (10) days prior to the auction.
2. The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders, the auctioneer, in his sole discretion, shall determine who is the successful bidder and whether to re-offer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive.
3. **On all lots sold, a commission of 18% on the hammer price is payable by the buyer to Harmers.**
4. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, notwithstanding whether such errors or omissions are those of the bidder, the bidder's agent or the auctioneer.
(b) All lots are offered subject to a reserve price. The auctioneer, at his discretion, may implement such reserve price by bidding on behalf of the consignor vendor.
(c) It may also be assumed that all consignors have been advanced monies against the sale of their stamps and Harmers therefore has a security interest over and above the auction commission.
(d) Purchase made by a consignor or vendor or his agent on his own lots shall be considered as a sale and shall be subject to commissions and sales tax as set forth in these Conditions of Sale.
(e) Agents are responsible for all purchases made on behalf of their clients, unless other arrangements have been confirmed by Harmers in writing prior to the auction.

PAYMENT FOR PURCHASES

5. Payment for lots and the commission payable with respect thereto, including those on which extensions are desired (see paragraph 9 of these Conditions of Sale), shall be as follows:
(a) **Floor Bidders.** Payment of the purchase price and the commission applicable thereto, or such part thereof as Harmers shall require, shall be made by the purchaser in such manner as Harmers may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.
(b) **Mail, On-Line and Telephone Bidders.** A successful bidder will be notified of lots purchased. Before Harmers will send such lots, payment in full (including the commission payable to Harmers) must be received by Harmers within three (3) business days of receipt of the aforesaid notification. However, a purchaser known to Harmers, or who furnishes satisfactory references, may, at Harmers' option, have purchases delivered or forwarded for immediate payment in US dollars. Mailed delivery will be to the registered address on the bid sheet and receipt of proof of shipment to the registered address shall constitute delivery. All charges for handling, delivery, and insurance (to the extent obtained by Harmers on behalf of the purchaser) shall be added to the purchase price. Risk of loss in transit shall be on the purchaser.
(c) Credit Card and PayPal Users are subject to an additional 3% fee and may be requested for a bidding deposit.
6. Title shall not pass to the purchaser until full payment has been received by Harmers, as agent for the consignor or vendor.
7. (a) Purchasers agree to pay for lots as specified in paragraph 4 of these Conditions of Sale and no credit shall be extended. A late payment charge of 2% for the first month and 2 ½% for each succeeding month compounded shall be added and Harmers will charge on-file credit cards if payment is not made in accordance with aforesaid conditions.
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Harmers may, at its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time at Harmers, at its sole discretion, deems appropriate. The Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser (whether at auction or by private treaty), as well as for all costs and expenses of both sales, all other charges due thereunder (including commissions with respect to both sales, whether payable to Harmers or to a third party) and all incidental damages related thereto. It shall be at Harmers' sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction, conducted by Harmers, and in no event shall any surplus

arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

- (c) A defaulting purchaser shall be deemed to have granted Harmers a security interest in property in Harmers possession owned by such purchaser. Harmers shall have all the rights afforded a secured party under the New York Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account against such obligations all monies held or received by it for the account of, or due from Harmers to such purchaser.
- (d) If Harmers takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Harmers to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term "legal steps" shall be deemed to include any and all consultation by Harmers with its attorneys with respect to all matters arising out of a delinquent account.

EXHIBITION AND INSPECTION OF LOTS; QUALITY

8. (a) **On Premises Inspection and Postal Viewing.** Ample opportunity is given for on premises inspection prior to the auction date and, upon written request and at Harmers discretion, for inspection by postal viewing (all as detailed elsewhere in the Catalogue).
(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in the Catalogue, including but not restricted to the section thereof entitled "Key to Cataloguing".
(c) **Quality.** Any lot which a purchaser considers to be incorrectly described shall be returned to Harmers within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same must be received by Harmers within four weeks of the date of the auction. Any lot, the description of which is disputed, must be returned intact in the condition received by the purchaser. Notwithstanding the foregoing, the following lots are not returnable, except at the sole discretion of Harmers: (i) lots from purchasers who attended the exhibition of lots; (ii) lots examined by postal viewing; (iii) lots on account of their appearance, if they are illustrated in the Catalogue; (iv) lots described as having repairs, defects or faults; (v) U.S. stamps (through 1918) for reasons of paper inclusions; (vi) no encapsulated stamp (unless originally offered in this condition); (vii) lots containing more than ten (10) stamps; and (viii) contradictory grading certificates.

(b) **Harmers, and only Harmers, will submit the item to the agreed upon expert.**
(c) If a lot is certified by a "generally recognized authority" to be other than as described, or the authority declines to express an opinion, this is normally grounds for the return of a lot.
(d) Except to the extent set forth in paragraph 10 of these Conditions of Sale, payment of the expense of certification will be paid by the purchaser.
(e) In the event that a dispute cannot be resolved by reference to a "generally accepted authority" and Harmers thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages.

EXPENSES OF CERTIFICATION
