CONDITION

The various gradings of stamps are, in order; superb, extremely fine, very fine, fine. In the case of sets, large blocks, sheets, etc., the condition quoted represents the average, and quality above and below this standard can be expected.

Handstamp on reverse: Denotes either a dealer, collector or indecipherable expert's mark.

Signed by: Denotes either the actual signature or mark of the expertiser. The absence of mentioning a signature does not reflect on the ability or knowledge of the party involved

GUM:

Shaded portion can represent an actual hinge or the area disturbed by a hinge.
n.h. = Never Hinged – unused with original gum in Post Office state and unmounted.

l.h. = Lightly Hinged – unused with full original gum showing some evidence of a previous hinge which may be present in part or entirely removed.

BLOCKS OR SHEETS AND THEIR GUM: Minor separations are the rule rather than the exception, in the case of blocks or sheets of any size. A few separations, around four perfs. per row, do not affect the value of a block or sheet and are not grounds for the return of a lot.

CATALOGUE VALUES: The final column shows the catalogue value of the lot.

ESTIMATED VALUES: If the estimated cash value is given, it is indicated by the abbreviation "Est. Cash Val.". It is used where the lot is large or where the actual value has little relation to the catalogue price. It represents the auctioneer's opinion of the MARKET value of a lot.

William T. Crowe

1948 – 2025

It is with deep regret that we at Harmers International acknowledge the passing of “Bill Crowe” on June 22, 2025.

We knew Bill personally and of course professionally in his capacity as a foremost expert in U.S. Philately and especially his proclivity toward the study of “Fancy Cancells”, especially those from his neighbor, Waterbury.

His decades of leadership at the Philatelic Foundation then transforming himself into the professional dealer mode and expertising kept him on the forefront of our hobby. With his residence in Connecticut being convenient to our offices, we enjoyed the occasional lunch, stamp shows and meeting at Starbucks. The meetings were always enlightening and his update about Beverly, his children and grandchildren were always heartwarming.

At one time, Bill and I were known as the “kids” in professional philately, somehow we became the “seniors”. He will be sorely missed.

You will notice in this current auction catalogue our entire section, “The 30c Collection of Fancy Cancells” and other “Fancy Cancells” houses 42 of Bill’s certificates, which are close to the last Certificates he issued.

I could not let this catalogue go to press without letting you know about the man behind the certificates.

**The Harmer family looks forward to
seeing seeing you at our booth.**

There are many firms named Harmer, but there's only one Keith.

We know it's hard to keep straight all the great philatelic auction firms bearing the storied Harmer name. (Heck, we sometimes have difficulty ourselves.)

All of them descend in one way or another from the proud tradition established over a century ago in England by Keith's grandfather, the legendary Henry Revell Harmer. A tradition marked by integrity, expertise and a passion for helping build great collections that Keith, Joan and their family are justly famous for.

So why not entrust your needs to the living embodiment of that tradition? Whether you're ready to buy or sell, whether you're just re-starting your philatelic journey or have been at it for decades, Keith and Joan will be happy to assist in any way they can. You might even say it's what they were born to do.

CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed catalogue applicable to such auction (the "Catalogue"). Harmers International, Inc. (hereinafter "Harmers"), as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be constructed. Harmers reserves the right to withdraw any lot prior to the commencement of bidding (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot and to group two or more lots belonging to the same consignor or vendor. Harmers has the right to refuse any bid believed not made in good faith, demand a cash deposit from anyone prior to bidder registration, or demand payment at the time the lot is knocked down to the highest bidder for any reason whatsoever. Harmers requires new customers submit a bidders registration form at least ten (10) days prior to the auction.
2. The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders, the auctioneer, in his sole discretion, shall determine who is the successful bidder and whether to re-offer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive.
3. **On all lots sold, a commission of 18% on the hammer price is payable by the buyer to Harmers.**
4. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, notwithstanding whether such errors or omissions are those of the bidder, the bidder's agent or the auctioneer.
(b) All lots are offered subject to a reserve price. The auctioneer, at his discretion, may implement such reserve price by bidding on behalf of the consignor vendor.
(c) It may also be assumed that all consignors have been advanced monies against the sale of their stamps and Harmers therefore has a security interest over and above the auction commission.
(d) Purchase made by a consignor or vendor or his agent on his own lots shall be considered as a sale and shall be subject to commissions and sales tax as set forth in these Conditions of Sale.
(e) Agents are responsible for all purchases made on behalf of their clients, unless other arrangements have been confirmed by Harmers in writing prior to the auction.

PAYMENT FOR PURCHASES

5. Payment for lots and the commission payable with respect thereto, including those on which extensions are desired (see paragraph 9 of these Conditions of Sale), shall be as follows:
(a) **Floor Bidders.** Payment of the purchase price and the commission applicable thereto, or such part thereof as Harmers shall require, shall be made by the purchaser in such manner as Harmers may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

A late payment charge of 2% for the first month and 2 ½% for each succeeding month compounded shall be added and Harmers will charge on-file credit cards if payment is not made in accordance with aforesaid conditions.
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Harmers may, at its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time at Harmers, at its sole discretion, deems appropriate. The Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser (whether at auction or by private treaty), as well as for all costs and expenses of both sales, all other charges due thereunder (including commissions with respect to both sales, whether payable to Harmers or to a third party) and all incidental damages related thereto. It shall be at Harmers' sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction, conducted by Harmers, and in no event shall any surplus
